SECRET

25X1 5. [redacted] Introduced [redacted] to the following 25X1
people on the Hill: Representatives Clement Zablocki, Bob Wilson, Ogden Reid, and John Monagan; Mrs. Chet Holifield; John Buckley, in the office of Representative Fascell; William R. Pitts, Office of Minority Whip; Franklin J. Schupp, House Foreign Affairs Committee staff; Margaret Young and Catherine Parham, in the office of Representative Bob Wilson; Carol Tuchmann, in the office of Representative Ogden Reid; and Bob O'Regan, in the office of Representative Fascell.

25X1 6. [redacted] Received a call from Dorothy Fosdick, Staff Director, Senate Subcommittee on National Security and International Operations, who requested that I come by during the day tomorrow. She has a matter she would like to discuss.

25X1 7. [redacted] I called Mr. John Reddan, Hardy Defense Posture Subcommittee, and advised him that previous commitments precluded the Director's meeting with the Committee on Tuesday, 30 April. Later in the day I met with Mr. Reddan who advised that the Chairman had selected the afternoon of Wednesday, 1 May, for the briefing. Because it will be necessary for the Committee to break at 3:55 P.M., it was suggested that the time be set for 1:30 P.M. to allow at least a few minutes for questions after the Director's presentation.

25X1 8. [redacted] Met with Miss June Nigh, Senior Staff Assistant, House Foreign Affairs Committee, and returned the 2 April transcript of General Lemnitzer.

25X1 9. [redacted] Met with Miss Barbara Bengston, Personal Secretary to Senator Jack Miller, as a follow up to my meeting of yesterday afternoon with the Senator and advised that Senator Miller will be meeting only with WH and FE people on Tuesday. A later date will be scheduled for Agency briefings and breakfast with the Director.

25X1 10. [redacted] Met with Thad Murray, Administrative Assistant to Representative Porter Hardy. Mr. Murray will keep me advised of Mr. Hardy's plans for a possible visit behind the Iron Curtain during his European trip. At present these plans are quite indefinite. In event of such travel, an offer will be made to provide a security briefing if desired.
